Overview

- This PCN is a Retraction for previously issued PCN 511665 communicated on February 25, 2022 for the following:
  — Molex Lincoln Plant 3104 is adding an additional supplier source for raw material 648930248
    - Additional supplier being added to keep up with current and future demand for product
    - Change only for Molex Lincoln Plant 3104
- The reason for this Retraction is that Molex Lincoln Nebraska is no longer pursuing a second sources supplier the raw material listed. If in the future, it is deemed an additional sources supplier is needed, a PCN will be created at that time.
- Part Numbers Impacted
  — See attached list
