

Product Change Notification

TE Connectivity

Product Change Notification: P-21-020798

PCN Date: 22-APR-21

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

AMPMODU Short Point Contacts

Description of Changes

Manufacturing location change. For any orders for a sold to customer location that is in the Asia-Pacific Region or the European Region for the following part numbers, the manufacturing location will change from our TE plant in Suzhou, China to our TE plant in Hermosillo, Mexico. This change only affects orders for a sold to customer location that is in the Asia-Pacific Region or the European Region for the following part numbers, the manufacturing location will change from our TE plant in Suzhou, China to our TE plant in Hermosillo, Mexico. This change only affects orders for a sold to customer location that is in the Asia-Pacific Region or the European Region.

Reason for Changes:

Manufacturing location change. In an effort to aid in responding to customer requests by reducing the lead-time for these contacts, any orders for a sold to customer location that is in the Asia-Pacific Region or the European Region, for the following part numbers, the manufacturing location will change from our TE plant in Suzhou, China to our TE plant in Hermosillo, Mexico. Any orders from the Americas region will still be produced at our TE plant in Hermosillo, Mexico. There is no transfer of tooling with this location change. We will be utilizing a sister die, that makes the same parts, in our TE plant in Hermosillo, Mexico. All procedures that are following port tool move will be followed for this change. A TE-internal release test based on the relevant part specifications will be executed before delivery. Upon request, a PPAP Level 1 or Level 2 will be available.

Estimated Dates:

Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):
	30-JUN-2021
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):
	No Mixed Shipments
