

**Issue Date:** July 28<sup>th</sup>, 2020

Dear Valued Customer,

This notice is to inform of the obsolescence of a finished good you have purchased from Littelfuse.

***Description of the Change:***

- Littelfuse will obsolete and no longer produce finished good 00425760.

***Reason for The Change:***

- The legacy vendors that supplied the necessary subcomponents for this finished good no longer support the production and commercial requires to supply to Littelfuse. Coupled with the decreasing demand on this finished good, Littelfuse has chosen to obsolete the finished good, as the re-sourcing of these components is not commercially justified.

***Effective Date of the Change:***

- This obsolescence is effective immediately.

***What You Need to Do:***

- We currently have stock of this finished good and will accept orders on a first-come, first-served basis. We will not be accepting orders for quantities up and above this amount.
- Any future orders on this part number will not be honored as the production methods to create this finished good will no longer exist.

For any questions, please feel free to reach out to either your Littelfuse Customer Service Representative or Inside Sales Representative.

We appreciate your continued partnership and business.

Sincerely,

Zachary Naughton  
Global Product Manager  
Littelfuse Commercial Vehicle Products
