

# PRODUCT DISCONTINUANCE NOTIFICATION

## PDN1707

---

### Description

Intel's Programmable Solutions Group's ("Intel PSG," formerly Altera) Power Product Group is obsoleting EP5387HQI and EP5387LQI devices.

### Reason for Change

Intel PSG Power Products Group is obsoleting products that have minimal customer usage over the history of their product life and no longer aligned with the current line of products available now or currently in development.

### Key Obsolescence Dates

Date for last order acceptance: December 1, 2017  
Date for last shipments: June 1, 2018

### Products Affected

| Affected Ordering Code | Replacement Ordering Codes |
|------------------------|----------------------------|
| EP5387HQI              | N/A                        |
| EP5387LQI              | N/A                        |

## Contact

For more information and assistance, please contact Sales or Customer Service in your region, or submit a Service Request at Intel PSG's [mySupport](#) website.

## Customer Notifications Subscription
