PCF85063TP: New 12NC and corrected packing information

Information Notification

Due to new rules it is needed to assign a new 12NC to this type. The reel information and the orientation of the parts in the reel was wrong in the old datasheet. These errata are corrected with the new version which is also attached to this CIN. Please refer to the revision history on page 42.

Why do we issue this Information Notification

- To comply to new rules
- To correct errata.

Identification of Affected Products

Packing labels

Impact

no impact to the product's functionality anticipated.

Data Sheet Revision

A new datasheet will be issued

Disposition of Old Products

No change to the product, only packing is affected.
