

Product Change Notification

PCN Date:	March 9, 2016			
Supplier Name:	Pulse Electronics			
Pulse PCN No.	16-013_Revision B			
Description of Change	Add NEW alternate manufacturing site for selected drum core part numbers.			
Reason for Change	<p>To create manufacturing flexibility that will allow Pulse to better manage upsides in Power market demands and to create manufacturing backup for key product families.</p> <p>No change to materials or design of the products.</p> <p>No change that affect form, fit and function of the parts</p>			
Summary of Changes between the new and old part	Present	New		
	Li Shun Da, Yuyao City, Zhejiang, China	Wenshan, Huai'an, Jiangsu, China		
Traceability guidelines	<p>Products from Wenshan are identified by the letters "WS" preceded by the manufacturing datecode;</p> <p>Example: 1615-WS</p>			
Qualification Data attached?	<p>Wenshan has been producing shielded and unshielded drum core part numbers for Pulse since the beginning of the year 2015. Pulse has qualified selected part numbers from each series. (see data attached)</p> <div style="display: flex; justify-content: space-around;"> <div style="text-align: center;">  P1166.XXXNL Qulification Data.zip </div> <div style="text-align: center;">  P1170.XXXNL Qulification Data.zip </div> </div> <div style="display: flex; justify-content: space-around;"> <div style="text-align: center;">  P1172.XXXNL Qulification Data.zip </div> <div style="text-align: center;">  P1174.XXXNL Qulification Data.zip </div> </div> <div style="display: flex; justify-content: space-around;"> <div style="text-align: center;">  PB2020.XXXNL Qulification Data.zip </div> <div style="text-align: center;">  PF0580.XXXNL Qulification Data.zip </div> </div> <div style="text-align: center;">  PF0581.XXXNL Qulification Data.zip </div> <p>For the Series and part numbers listed below the CPK of the electrical parameters were compared and found to be within acceptable limits. No CPK below the 1.33 threshold.</p> <div style="text-align: center;">  CPK Comparison Between Wenshan and LSD.zip </div>
